DESCRIPTION

The classic style stainless steel corkscrew with a wooden handle is a stylish and functional tool to open your wine bottles with ease. The stainless steel body guarantees durability and strength, while the wooden handle adds a warm and natural touch. The classic design of the corkscrew ensures a comfortable and secure grip, allowing you to remove the corks smoothly and accurately. Its double lever mechanism enables the opening process, minimizing the effort required. With this corkscrew, you will enjoy the experience of opening a bottle of wine in a practical and stylized way. The high-quality stainless steel and a wooden handle combine perfectly, creating a durable and aesthetically pleasing piece.
