

DESCRIPTION

The 5000mAh external battery with a cork and bamboo body is an eco-friendly and powerful option to keep your devices charged anytime, anywhere. With its 5000 mAh capacity, you can charge your devices multiple times without worrying about a lack of power. This external battery has a USB and Type-C output, allowing you to charge different devices simultaneously, both quickly and efficiently. In addition to its wired functionality, this external battery is compatible with wireless-enabled devices, which means you can charge your devices without messy wires. Includes a Type-C cable for easy connection and charging. The external battery is presented in an ECO design box, in line with its focus on sustainability and environmental care. With the 5000 mAh external battery with a cork and bamboo body, you can keep your devices charged and ready to use, while demonstrating your commitment to a more sustainable lifestyle.
