DESCRIPTION

The stainless steel mug with outer copper coating is a stylish and sophisticated option to enjoy your favourite drinks. Its design features a copper finish and a gold handle that adds an extra touch of style. With a capacity of 500 ml, this mug is perfect for enjoying a good cup of coffee, tea or any other hot or cold drink you like. In addition, the outer copper coating not only gives it an attractive appearance, but also helps to keep the temperature of your drinks for longer. Whether you want to keep your coffee warm during cold winter mornings or enjoy a refreshing drink in summer, this mug will meet your expectations. The mug comes in a designer box, making it a great gift option. You can surprise someone special with this unique, high-quality mug.
