

DESCRIPTION

The RPET 300D multifunction A5 folder is a versatile and practical accessory that allows you to organize your documents. Made from RPET, a high-quality recycled material, this folder demonstrates your commitment to caring for the environment. With its magnetic closure, the folder ensures that your documents and belongings remain secure inside. In addition, it has a wireless charger built into the lid, allowing you to conveniently charge your devices that are compatible with wireless charging. Inside the folder you will find a removable notepad with 56 sheets and a compartment for your mobile phone, where you can keep it handy as well as protected. It also includes a card holder and a mobile phone holder. The folder also features a handy pen holder, ensuring you always have one handy when you need it. In addition, a cable with 3 inputs (type C and USB output) is included, allowing you to charge different devices and ensuring compatibility with various electronic devices.
